

ARTERIAL AGILITY TINCTURE

ARTERIAL AGILITY TINCTURE BOTANICAL SUPPORT FOR CIRCULATORY VITALITY

ORGANIC HAWTHORN BERRIES

- Traditionally used to support healthy circulation and maintain heart function, hawthorn is rich in flavonoids that help promote vascular tone and antioxidant activity.

ORGANIC HOLY BASIL (TULSI)

- Revered in Ayurvedic tradition for its adaptogenic properties, holy basil supports the body's natural response to stress and helps maintain overall cardiovascular balance.

ORGANIC LICORICE ROOT

- A time-honored botanical known for supporting healthy blood flow and contributing to the body's natural defense against oxidative stress.

ORGANIC OLIVE LEAF

- Traditionally used to support metabolic wellness and digestive comfort, fenugreek complements this blend with its gentle, nourishing properties.

WHY CHOOSE THIS BLEND?

- This synergistic tincture brings together four botanicals long respected in herbal traditions for their role in supporting circulatory wellness and internal balance. Ideal for those seeking plant-based support for vitality and resilience.
